The College has a well-defined policy and system in place for the maintenance and utilization of all its physical and academic facilities.

#### **Classroom management:**

The classrooms are well equipped with ICT tools like Wifi and Projector, and other technologies for better and effective teaching. CCTVs installed in each classroom to make sure of the safety and the security of all students, teachers and equipment. Routine supervision of CCTV is carried out and demands are sent through proper channel.

#### **Laboratory**

As the Institute has Six Science departments, the Laboratory policy occupy the prime place in the working culture of the institution. Demand through head of the departments are sent well in advance to principal and central purchasing committee look upon all demands and reports accordingly.

1. Locations of laboratory safety showers, eyewash stations, and fire extinguishers help to assure protective measures to minimize the casualties.
2. General Instructions to students regarding the safe and secure usage while in the laboratory are displayed in each lab.

#### **Library**

The library of the college has well defined mechanisms and systems in place to identify the purchases based on the courses offered, check on the facilities to be provided for the students and the staff.

The college library has its own methods and systems in place to determine the purchases based on the courses given, check on the facilities to be supplied for the students and staff, and more. In general, the norms follow the institutional policies and the parent body's policies.

A library's collection development policy is aided by yearly statistics on resource use. It is routine practice to remove books and other reading material that is no longer relevant for usage as current references. The withdrawal policy is started by a GR that is signed by the Institution Head and Library Committee. The Institute library is well equipped with WiFi connectivity with 50mbps,

Delnet Facilities are available for online books and Journals and more than 80000 books are available in physical form.

### **Computers**

The Institute has a well established mechanism for maintenance of 500+ computers (Hardware and Software), updating software related to administrative and overall maintenance of campus infrastructure. Policy is developed to maintain a balanced student and computer ratio, so that all students will be benefited for academic purposes.

Institution follows all safety and security norms as required for an educational institution and makes optimal use of all security mechanisms. Safety of girls is specially handled and appropriate measures are taken to make the campus safe for students. E-waste policies are adopted as per required standards.

### **Sports:**

Sports council of the institute looks after various activities of sports. Purchasing of Sports equipment and maintenance of Play Field/Court are key areas where department of physical education monitor all issues. Department of Physical education have permanent faculty along with a Yoga Teacher, who is responsible for organizing Yogic Practices/Meditation camp for teachers as well as students. In sports institute organized various intramural and extramural activities as per allotment of Sport calendar of Dr. R M L A University, Ayodhya. There is a recreational center and Yoga Cell for teachers and students. Brief reporting of sport activities are uploaded on college website session wise.

While the IQAC defines policies related to workshops/seminars/conferences for students and staff across faculties, the website acquaints the users with the working system of the college and also invites suggestions on better working processes.
