

**MEMORANDUM OF UNDERSTANDING
BETWEEN
KAMLA NEHRU INSTITUTE OF PHYSICAL AND SOCIAL SCIENCES, SULTANPUR
U.P.
AND
JUST AGRICULTURE-the magazine**

This Memorandum of Agreement between the Kamla Nehru Institute of Physical and Social Sciences, Sultanpur U.P. and **JUST AGRICULTURE-the magazine** is intended to facilitate a collaborative program of research, curriculum, institutional development, information dissemination, and exchange of faculty, students and staff. The linkage hereby formed shall further strengthen each partner institution's objectives as well as the mutual relationship between the partners.

About Kamla Nehru Institute of Physical and Social Sciences, Sultanpur U.P.

Kamla Nehru Institute of Physical and Social Sciences (KNIPSS), Sultanpur was situated at the bank of river Gomti established in 1973 as a part of Kamla Nehru Memorial Trust. It is affiliated with Dr. R. M. L. Awadh University, Ayodhya (U. P.), accredited with 'A' grade by NAAC in 2019. Faculty of Agriculture has been giving unstinted service in the field of higher education since its establishment in 2004, as B.Sc. (Agriculture) and M.Sc. (Agriculture) in 2019 with five departments (Agronomy, Soil Science, Horticulture, Genetics & Plant Breeding and Entomology). It has been proved as a source of success and strength. Agriculture programme and the curriculum focuses on all the agriculture core areas as well as environmental studies and agriculture ethics as per the recommendations of Vth Deans committee of ICAR.

This programme is an important step towards an improvement in agricultural practices for diversified cropping areas of the country including precision farming and organic farming. Modern technologies and tools are imparted for improvement in economic farm production with paramount importance of environment protection and sustainable practices. Skills enhancing courses have been introduced in the curriculum like nursery management, mushroom cultivation, commercial horticulture, commercial bee-keeping, food processing, organic farming and bio-dynamic agriculture etc. Regular visits to agri-business & agri-clinic centre, dairy and poultry farms, integrated pest management institute, agricultural universities, krishi vigyan kendra, organic farming fields and different agro-based industries as well as kisan mela to enhance

knowledge about novel inventions in the agriculture fields etc. To develop agri-preneur skills among the students. The productive exposure of farming operations throughout the year are carried out by students under the guidance of faculty of the specified courses.

The agricultural farm provides opportunities to learn and gain experience in all agricultural activities like crop production, nursery management, diagnosis of plant diseases, crop improvement, soil and plant analysis and extension activities. Beyond professional practices, the college organizes guest lectures, invite experts in their respective areas for providing update exposure to students. All faculty members are highly qualified with Ph.D. & ICAR-NET with adequate experience in their respective field of specializations.
