About Us:

The growth of the Institute with leaps and bound in only four decades period provided the way to rise as a multi faculty Institution with Commerce, Arts, Science, Law and Education faculties at undergraduate level and by the end of decade the Institution had post graduate programs in 8 subjects representing the aforesaid faculties. In the advent of having a full fledged faculty of Engineering and Technology in the year 1976, the needful initiatives were taken by the Trust and as a result of consistent efforts. It was established in 1980 as a fully financed institution by government of Uttar Pradesh which is presently being looked after by a separate management committee. As a result of this development the original name as Kamla Nehru Institute of Science and Technology has also been rechristened as Kamla Nehru Institute of Physical and Social Sciences. In the same continuity two more institutions i.e. Kamla Nehru Krishi Vigyan Kendra in 1976 and Kamla Nehru Institute of Child Education in 1984 were established. With a dream to maintain academic excellence at par with any best institution of the national and international repute in the country, he created a very congenial environment and the infrastructure which is essential for the purpose. In the year 2004 a full fledged campus on 75 acre land which falls in boundary of village Faridpur at a distance of four kilometer from the main campus, has been established under the dynamic leadership of Shri Vinod Singh, the son and successor of the founder Late Sri. K. N. Singh to cope up the demand from a large number of students in professional and technical subjects. The new campus has got six faculties viz. a college of Pharmacy, Management Studies, Education, Law, Engineering and Nursing. The new campus has got distinction bestowed with unique natural and pollution free peaceful environment on the state highway Ayodhya-Allahabad bypass which also connects Lucknow, Varanasi, Allahabad & upto extreme east of U.P.
