

DISHA-2022

2nd Circular

5th National Conference and Webinar on Doubling Farmers Income for Sustainable & Harmonious Agriculture 'DISHA-2022'

11th & 12th, June 2022

Organized by

KNIPSS, Sultanpur, UP

Supports

savesoil.org

Special Sessions on:

Training Sessions on Quality Improvement for Export and Natural Farming of different crops –BEDF and APEDA
Start up Automation Sessions on Soil testing and Management-Krishitantra

KRISHITANTRA

in association with

Green Agri
Professional Society

Pragatishil Krishak Vilas
Sewa Sansthan

WHY DISHA-2021

Hon'ble Prime Minister of India has called for Doubling Farmers income. The organizing team of DISHA conferences have been in forefront from the year 2017 onwards, when the first DISHA conference was launched at the very lord's place at Tirupati. This generated massive awareness regarding various programs, schemes of Govt of India. At scientific and farmers level, to create awareness with very limited and with our own resources, organizers of DISHA have highlighted through their delegates papers, manuscripts, documents several innovations happening very fast in agriculture and allied sciences and then noteworthy achievements made by Indian farmers in last 7 decades since Independence. The small and marginal farmers are as good as medium and large farmers in adopting the improved agricultural technology for raising production but what they lack is resources, advanced skills and capital in hand. The idea to organize DISHA-2022 is again to generate the awareness on new knowledge/ technologies driven approach. When the rules of the farming have changed and more and more innovations led farming rapidly changing the scenario at farm levels in India and abroad, it is here that a lesson or two learning will lead to uprising among the farmers. It is in this context, DISHA-2022. is conceptualized with the hope that deliberations by eminent, abroad and galaxy of speakers may provide a vibrant approach so as to raise the productivity, profitability of the small and marginal farmers.

This particular, DISHA-2022, this time, will attract several special experts' deliberations and training either electronically or through physical presence by APEDA/BEDF scientists/Officials regarding

1. Entrepreneurial Development Skills for Exports Promotion
2. Quality Improvement in Rice for Export
3. Technical sessions on Natural Farming of different crops for reduction in cost of cultivation and augmenting soil health

TECHNICAL SESSIONS ON SAVE SOIL 5th DISHA-2022 -The Save Soil movement has been initiated by

Sadhguru, a yogi and a visionary and founder of Isha Foundation, taking a **100-day Motorcycle Journey, from the United Kingdom to India. 26 Countries, 30,000 km.** Save Soil is a global movement launched by Sadhguru, to address the soil crisis by bringing together people from around the world to stand up for Soil Health, and supporting leaders of all nations to institute national policies and actions toward increasing the organic content in cultivable Soil. There will be specific technical sessions on SAVE SOIL initiatives. During the 5th DISHA-2022 at KNIPSS, Sultanpur, UP.

With this in view, DISHA-2022 is aimed to accept Abstracts and Lead articles, which can be submitted for inclusion and publication on following themes:

1. Strategies for doubling farmers income through advancing frontiers in biotechnological and molecular approaches.
2. Strategies for doubling farmers income through innovative crop production, protection and propagation techniques.
3. Basic(Physics, Chemistry, Zoology& Botany) and Environmental sciences for combating climate change issues on Indian agriculture.
4. Horticultural interventions for doubling farmers income
5. Animal husbandry, Veterinary and fishery sciences for doubling farmers income.
6. Extension and social outreach Strategies, farmers own success stories for doubling income.
7. Economics for farm profitability. Exports opportunities for augmenting farm income.
8. Digital Transformation/ IT developments and other advances in sciences leading to upsurge, profitability and for empowering farmers.
9. Government of India schemes, programs, plans and strategies for doubling farmers income
10. Social Science strategies for doubling farmers income.

ABSTRACT AND PROCEEDINGS BOOK

Abstract submission: Abstracts not exceeding 300 words on any of the aforesaid themes should be sent to the organizing secretary through email at dishaconference2022@gmail.com on or before 5th June, 2022. Registration is mandatory for publication of abstract in e-Souvenir. Intimation of acceptance of abstract will be within 48 to 72 hrs. of submission. Only limited hard copies of the proceedings books will be released and for rest PDF version, e clubbed file will be shared to all.

Invited, Oral presentations: Leading scientists and faculties from India and abroad in the relevant areas of the conference will be invited as lead speakers. Delegates can also submit their abstracts for consideration for key note, lead and oral presentations. There will be few poster presentation also.

Conferences prizes, awards-Best Oral, Poster, Lead presenters and all Keynote presenters will be felicitated by the society. All technical sessions, chairs, co chairs, rapporteurs will also be felicitated by the society. After the successful completion and during the valedictory session, all key local organizers/volunteers will be felicitated by the Society.

Books by PARMAR PUBLICATION-All the books will be published by PARMAR PUBLICATION only on not for sale criteria. However, E books will be tried to be hosted later on after plagiarism check and on open access basis. Web Site:www.parmarpublisher.com, (Proprietor-Mr. Gajendra Parmar, also GAPS society, President) Initially only thematic areas of 5TH DISHA-2022, edited /authored books will be developed and released. Post conference, interested delegates if willing can get in touch with the relevant editorial board members to publish their books, manuscripts, chapters if any. The cost of such publication is very minimal, borne by the authors and published on no profit, no sale and purely for academic and on non commercial basis.

Journal publication-After the conference, interested delegates can get their research /full length papers published by Dr. Akhtar Rasool, Proprietor, Science letters, Kashmir. Some more journals have been roped in and delegates can get this facility post conference.

1. Plant Archives: an International Journal NAAS 4.73
2. Science Letters (Publons-WOS)
3. International Journal of Biological Forum NAAS 5.11
4. International Journal of Environment and Climate Change NAAS 5.13
5. International Journal of Plant and Soil Science, NAAS 5.07
6. Agricultural Archives: an International Journal (Publons-WOS)
7. Acta Botanica Plantae Journal (Publons-WOS)

Submission of manuscript on submission@scienceletters.org
Please mention subject line DISHA 2022 and Journal name.

More information please contact

Dr. Akhtar Rasool, Proprietor, Science letters
