A Babu K.N. Singh Memorial Lecture-2023on "The Story of Light and Life" was organized by Department of Chemistry, KNIPSS, Sultanpur on May 27, 2023 in Ambedkar Hall of the institute. The seminar was inaugurated with lighting the lamp and garlanding the portraits of Maa Saraswati and our founder Babu K.N. Singh by Prof. Praveen Kumar Singh, Prof. Radheshyam Singh and Prof. Mrityunjay Dev Pandey.Prof. Mrityunjay Dev Pandey,a professor in Chemistry at Banaras Hindu University, Varansi was the resource person on the occasion.Prof. Praveen Kumar Singh, Director IQAC, KNIPSS welcomed and honoured him with a bouquet and memento. Prof. Pandey expertly showed the correlation between light and life. He elaborated how western world has taken credit many of Indian work mentioned in Indian ancient knowledge system. He informed the audience that Government of India is spending a big amount of money on the research work in the field of "quantum physics/chemistry". He discussed the story behind the discovery of helical structure of DNA. He showed in his presentation that how only the books from Asia are influenced the whole community in the world and concluded "Only the light of knowledge can control the World". In the later part of the presentation, he stressed on the need for protection from "light pollution" as it may be the major challenge in the near future. Prof. Pandey won the hearts of audiences through his marvellous presentation. Vote of thanks was given by Prof. Radheshyam Singh, Ex. Principal and senior member IQAC, he stressed the need to organize more of such events to promote interdisciplinary concept of the education system. The event was attended by students from M.Sc. 2nd Semester and B.Sc. 2nd semester. Faculty members over the country participated in the event. On the occasion along with Dr. Alok Kumar Verma (Head of Department), Prof. P. K. Singh, Dr. Avadhesh Pratap Singh, Dr. Prashant Singh, Dr. Shiv Pratap and all other faculty members were present.
