

## **Report of Babu K.N. Singh Memorial National Conference**

A two-day National Conference entitled "Recent Developments in Physical and Biological Sciences," supported by the U. P. State Council of Higher Education, Government of Uttar Pradesh, took place on March 28th and 29th, 2024. The event was hosted by the Department of Physics & Electronics at the Kamla Nehru Institute of Physical and Social Sciences, Sultanpur. Dr. Lalit Kumar Dwivedi, Professor & Head of the Department, served as the convener of the conference, ensuring meticulous arrangements.

The esteemed gathering featured Prof. Murali Manohar Verma from the Department of Physics at the University of Lucknow as the chief guest, and Prof. Brijesh Kumar Pandey from the Department of Physics and Materials Science at Madan Mohan Malaviya University of Technology, Gorakhpur, as the keynote speaker on the first day. Prof. Ramendra Kumar Singh from the Department of Chemistry at the University of Allahabad, Prayagraj, presented as the special guest speaker.

This national conference attracted participants from New Delhi, Rajasthan, Maharashtra, Madhya Pradesh, Chhattisgarh, Uttar Pradesh, West Bengal, and Orissa. The engaging program left all participants intellectually stimulated, bringing forth new perspectives and scholarly exchanges through the presentation of research papers.

### **Outcomes:**

The event proved to be enlightening, enriching, and invigorating for all the attendees. Over one hundred delegates presented their scholarly papers during the conference. All accepted full-length papers will be published after the peer review process in "**Vimarsh (A Multi-disciplinary Journal with ISSN)**" of our Institution.
